Since 1982

Why Satellite?

- Cost Savings - Pay only for the exact packages you want
- Wide variety of programming (*including international*)
- Free Welcome Channel integration (*design services available*)
- Local Support - Mpro-HD™ agents are certified to install and maintain your system - and put you first (*unlike the cable companies*)
- Short contracts

Why HDTV?

- It's what your guests expect
- Your competition has it, or will soon
- HD without the settop box

Why Mpro-HD™?

- 24/7 active monitoring & automated issue resolution eliminates costly on-site visits and improves guest satisfaction
- See your hotel status on your smartphone 24/7
- State-of-the-art HDTV technology

*Active monitoring,
automated issue resolution,
and system status available 24/7
- in the palm of your hand*
